Sub: SPECIAL HIRE - Introduction of new products - Mini A/C and Non A/C Buses - Special Hire Rates & Calculation of Hire Charges - Approval - Communicated - Reg.

Introduction:

The Corporation has been providing buses on special hire basis to the commuters for various purposes like marriages, functions, excursions, educational tours etc., at the special hire rates communicated from time to time.

In the recent past, there has been a consistent demand from various sections of people for hiring Mini buses for their small group travel and touring needs.

Corporation is introducing two new products i.e. Mini A/C and Non A/C buses for state wide deployment. The Mini A/C Buses are being introduced to offer *Service at Door Step* to pick up the intending passengers at several boarding points nearer to their residential localities. Mini Non A/C buses are being introduced to cater to the low density Pallevelugu ordinary routes with a view to access the narrow lanes of villages & towns.

Special Hire Rates:

Since two new products are being added to the fleet of the Corporation it is appropriate to communicate Special Hire Rates so as to offer these buses as Chartered services during their idle time and also make use of spare buses.
